

EYES OF U. S. ARE FOCUSED ON AVIATORS

Two Endurance Flights Under-
way As Trans-Sea Planes
Wait On Weather.

By International News Service
America's thoughts were literally "up in the air" today as four aviation projects held the spotlight of public attention, according to International News Service reports.

At Roosevelt Field, N. Y., the French Canard, huge Bernard monoplane in which Jean Assolant, Armeno Lotti and Rene Lefevre, hope to fly to their native Paris, was being primed for a hop some time this afternoon to Old Orchard, Me., where better take-off facilities are provided.

Roger Q. Williams and Lewis Yancey are already at Old Orchard with their plane, the "Green Flash," which they expect to pilot to Rome in a possible "international air race," with the Frenchmen. Williams and Yancey will start their flight as soon as weather conditions are propitious.

At Fort Worth, Texas, dispatches this forenoon to International News Service revealed Pilots Jim Kelly and Reg Robbins rapidly approaching the one hundredth hour in the air in their attempt to set a new endurance record.

After nearly twelve hours of night flying over Long Island, Pilots Lieutenant Buddy Clarke, Martin Jensen and William Ulbrecht, who are also trying to set a new endurance record, completed their first pick-up of gasoline from a catapult device shortly after dawn today.

OCEAN RACE AHEAD

OLD ORCHARD BEACH, ME., May 23.—With the further delay by bad weather of the monoplane Green Flash, in its proposed flight to Rome, and the scheduled arrival this afternoon of the French monoplane Bernard 119 to prepare for a hop off to Paris, an opportunity may be given to the two air-monsters starting away together.

Unfavorable weather reports were received by Capt. Roger Q. Williams of the Green Flash a few minutes before he and Captain Louis Yancey prepared to supervise the loading of 540 gallons of gasoline in the plane.

Dr. James D. Kimball of New York, in his weather report saw "one thousand miles of clouds" stretching across the Atlantic and advised the fliers to wait until Friday morning for the takeoff.

The monoplane Bernard is piloted by Armeno Lotti. Both Lotti and Williams are keen for an early takeoff. They might be referred to as "friendly enemies," each, of course, anxious to get away from the shores of America before the other. The Bernard is a far superior plane than the Green Flash. It has a speed maximum of 160 miles per hour and is equipped with a Hispanoize air-cooled motor. Its cruising speed is 128 miles per hour, as compared with the top speed of 125 miles per hour of the Green Flash.

NEAR 100 HOUR MARK

FORT WORTH, TEXAS, May 23.—Reg Robbins and Jim Kelly, flying the "Fort Worth," had been aloft 94 1/2 hours at 10:03 today in their attempt to break the fueling endurance record of the army plane, "The Question Mark." No message had been received from the pilots at an early hour today, but indications were that the motor was running smoothly. Parachutes were transferred to the "Fort Worth" from the refueling plane last night for Robbins and Kelly.

MAKE REPAIRS

ROOSEVELT FIELD, N. Y., May 23.—After nearly twelve hours of night flying over Long Island, "The Three Musketeers," piloted by Lieutenant "Buddy" Clarke, Martin Jensen and William Ulbrecht, who are out to set a new endurance record for a refueling plane, made their first pickup of gas today at 7:30 a. m.

A leak was discovered in the carburetor about mid-night, making it necessary for Martin Jensen, armed with a pocket flashlight to crawl out on the narrow catwalk for emergency repairs.

After the first pickup of ten gallons of gasoline, which were badly needed because only fifty gallons remained in the plane's tank as a result of the leak, a hot breakfast was hooked on to the plane, the breakfast consisted of a quart of hot coffee, six boiled eggs and numerous slices of buttered toast.

Miss Kitty Meade, who returned last week from Mt. Carmel hospital in Columbus, is improving, following treatments at that institution.

SIX INJURED WHEN AUTO, TRAIN CRASH

CHILLICOTHE, May 23.—Following a crash at the Baltimore & Ohio railroad crossing five miles west of here, last night, Mrs. Calhoun and her two-month-old son Carroll, with two other brothers and two sisters were in the hospital here today, seriously injured. Carroll is not expected to recover and his mother has both legs and a wrist broken. The other children, Juanita, 15; Robert, 13; Ernest, 8, and Nina, 5, were less seriously hurt, although Robert may lose the sight of his right eye.

REPARATIONS NEGOTIATIONS AGAIN UPSET

German Delegate Quits Conference In Protest To Allied Demands.

BERLIN, May 23.—Dr. Albert Voegler resigned today as one of the chief German reparation experts, precipitating a new reparation storm in Germany.

Dr. Voegler, who was colleague of Dr. Hjalmar Schacht in the Paris negotiations, was regarded as guardian of the German industrial interests. His resignation was attributed to the following causes:

- 1—Increase of the annuities designated in the Young plan by the Allied experts;
- 2—Rejection by the Allies of the German proposal for a moratorium to assist Germany in meeting the annual reparation obligations;
- 3—Allied demand that German payments be extended to 58 years.

Dr. Voegler contended that the extension of payments over 58 years was a violation of the Versailles treaty.

An official spokesman frankly told International News Service that the situation is "critical."

UP TO AMERICA

PARIS, May 23.—With official announcement from Berlin of the resignation of Dr. Albert Voegler, one of the principal members of the German delegation, the conference of reparations experts today faced a crisis which may result in complete breakdown.

Optimistic spirits around the council table are hopeful that a breakdown may be avoided by judicious handling of the situation, but it now appears certain that the best which can be hoped for is a prolonged negotiation, instead of the speedy settlement of the vexing problem which was hoped for.

The burden of the whole problem, it appears, will fall upon the United States, as Germany considers the reservations made by the creditor Allied nations to their conditions on acceptance of the American compromise plan almost totally inacceptable on at least four points.

They indicate they will make no compromise to save the situation, and it is expected they will ask the American delegates, Owen D. Young and J. P. Morgan, to induce the Allies to sacrifice their conditions unless the conference is to be doomed to abject failure.

AGED DARBYVILLE RESIDENT IS DEAD

John C. White, 83, Civil war veteran of Darbyville, died Wednesday morning of apoplexy at his home.

Surviving are four sons, Albert, John, Frank and Mack White, and five daughters; Mrs. Bessie Tope, Miss Sarah White, Mrs. Gertrude Brigner, Mrs. Artura Brigner and Mrs. Martha Wallace.

Funeral services will be held at 2:30 p. m., Friday at the Darbyville M. E. church.

AUTO, TRUCK CRASH

An automobile collision occurred Thursday noon at Mound and Scioto-sts between the Essex machine of Tom Howell of Elm-ave telegraph operator at the N. and W. railway tower, and a Kroger truck said to be driven by a man from Columbus. No one was injured but it was reported that a woman at the scene of the accident fainted, but her name could not be learned.

The infant daughter, Gead at birth, of Rufus and Stella Houston Fletcher, of 908 S. Clinton-st. was buried Thursday afternoon at 3 o'clock in Forest cemetery. Interment was in charge of the Albaugh Co.

TWO GIRLS BURNED

FREMONT, O., May 23.—Two girl students at Stannus High school here were badly burned yesterday when a cork blew out of a test tube containing hydrochloric acid while they were making laboratory tests.

Miss Elizabeth Rimelspach, 17, who will be graduated in June, was burned about the arms and legs, and Miss Marion Gerding, 16, a junior, suffered face burns. The acid will leave scars, physicians said.

There all animals, which died within the city limits, were removed and buried. The ordinance governing the burial contained this clause: "When any animal dies from any disease or is killed by a train, fire or lightning or has to be killed on the street

Injured In Fall After Jumping 6 Miles Thru Air

FAIRFIELD DEPOT, DAYTON, O., May 23.—Captain A. W. Stevens, army flyer and cameraman, who startled the world when he jumped out of an airplane flying at a height of 32,000 feet, or more than six miles, was suffering here today from a broken right arm, which was sustained last night when he stumbled and fell.

Capt. Stevens' heel caught on the last step of the basement stairs as he was descending into the photographic laboratory here. He is one of the best cameramen of the Army air service, and had just landed after taking several pictures of aerial formations in the mimic war.

By breaking the fall with his right arm, the captain saved his valuable camera.

Flying over a field, near here, about three months ago, with another pilot, the plane's motor died. Stevens made a parachute leap to safety from a height of 32,000 feet.

HOUSE BACKS HAWLEY BILL

Republicans Vote To Give Full Party Support To New Tariff Measure.

WASHINGTON, May 23.—House Republican leaders today formally proposed that the new Hawley tariff bill be adopted as a party measure and passed in entire disregard of the Democratic membership.

The proposal was made at a secret conference of Republicans called to draft a program which will insure passage of the bill in the house before June 1. The program called for adoption of a special rule which would limit amendments on the floor of the house to the ways and means committee, thereby cutting off a threatened row over the sugar tariff, building material schedules and many others.

This course was adopted after long negotiations with the "farm bloc," the "sugar bloc" and other house groups which have banded together to write new increases in tariffs into the bill. The negotiations with the "farm bloc" continued up to the last minute, with prospects that they would result in welding the Republican membership of over 3,053,859 a fairly solid fighting force.

Mrs. Carrie A. Patton of Columbus was a visitor in the city Wednesday afternoon.

SENIOR CLASS PLAY TONIGHT

Elaborate Costumes and Effects Obtained For "The Call of the Banshee."

Rehearsals every night, scene building every day, costume plans born every minute, words, paint and nails flying—and the senior class has prepared for the climatic production of this year's program, "The Call of the Banshee," which will be presented Thursday and Friday nights at the high school.

Planning and construction of costumes was in the hands of Minnie Lyle, Dorothy Denman, Wilbur Adkins, Joe Griffith, Carl Wallace and Harry Grant. More than eighteen persons are members of the cast which has diligently rehearsed both day and night for the past eleven days.

The cast, which performs tonight is: Martha Mary Wolfe, Helen Crist, Esther Drum, Francis Jones, Alice Roof, Martha Herrstein, Erma Rader, Carl Wallace, Elliott Barnhill, Glenn Heeter, Harry Grant, Joe Griffith, Earl Hussey, George Colville and Harry Butler.

Prize winning tickets for essays on "The Call of the Banshee," were received by Aveland Haacker, Eleanor Westenhaver and Pauline Reed, eighth grade students taught by Miss Yates, Miss Brown and Mr. Rife, respectively, and in the seventh grade by Helen Melson, Mary Curtin, Emanuel Hundley and Donald Brannon with teachers, Miss Hoffman, Miss Mack, Miss Lamb and Miss Buskirk respectively. Thomas Kirwin, taught by Miss Palm was the lucky one from the Corwin sixth grade, and Doris Moffitt from the Franklin sixth grade taught by Miss Eymann, also received a ticket.

This contest consisting of writing essays on certain phases and characteristics of the Banshee, was sponsored by the senior class. A prize of one ticket was offered to each student and his teacher in each of the sections of the sixth, seventh and eighth grades in the Circleville schools.

E. S. NEUDING IS ELECTED TRUSTEE

E. S. Neuding, Circleville, has been elected a member of the general board of trustees of the United Brethren in Christ at the 30th quadrennial conference of the church at Lancaster, Pa.

Other members of the board are: B. F. Daugherty, Lebanon; Rev. L. W. Lutz, York; Rev. M. B. Bailing, Toledo, Ohio; Rev. R. A. Powell, Bowling Green, Ohio; Rev. J. F. Hutton, Grand Rapids, Mich., and E. M. Ulrich, Dayton, Ohio.

"She Has Irish Name," Gene's Remark on Suit

BRIONI, Italy, May 23.—Gene Tunney, retired world's heavyweight champion, refuses to be the least bit worried over the breach of promise suit filed against him in Bridgeport, Connecticut, by Mrs. Katherine King Fogarty.

The former fighter remained in his wonted seclusion today, willing to leave everything to his attorneys.

"I do not recall ever meeting any woman named Fogarty," Tunney declared when asked about the action. "The only thing I can say about the whole thing is that Mrs. Fogarty sounds like an Irish name."

"I have not heard a word about the action officially, and frankly, I am not at all concerned about it at this time. Mrs. Tunney has been quite ill, and I cannot leave her now. Her condition following her operation has not been too satisfactory, and I am very much worried about her."

It is not known whether Tunney's wife, the former Polly Lauder, multi-millionaire Connecticut heiress, has been informed of the litigation launched against her husband in the United States.

Tunney's secretary said that Mrs. Tunney suffered a relapse three days ago, and that the fighter has been constantly at his wife's bedside, not even taking time to read his daily flood of letters and telegrams.

INJUNCTION IS RACE REQUEST

Officials of West Jefferson Dog Speedway Ask Courts Protection.

LONDON, O., May 23.—Interest in the dog race war being waged here against the West Jefferson Kennel club is today centered at Madison-co common pleas court, where a hearing of the petition filed last yesterday by the Kennel club is scheduled to take place late today. The petition seeks an injunction against Sheriff Ed Bligh and Prosecutor D. M. Richmond, to restrain them from arresting or prosecuting track officials or employees until after the jury trial May 31, when four men arrested Saturday for gambling and permitting the placing of bets at the dog track will be tried.

Evidence that the law enforcers of Madison-co intend to continue their fight against gambling at the dog races was shown Wednesday night when Mose Solomon and James Noble, both of Columbus, were arrested by Deputies Sam Paulin and Jay Clifton. Solomon was charged with book-making and after paying a fine of \$33.50, he was released. Noble paid a fine of \$13.50 on charges of placing a bet with a book-maker.

The four men to be tried May 31 are: H. M. Foster, Columbus, general manager, and O. P. Van Schoick, West Jefferson, secretary of the West Jefferson Kennel club, Ned Spearsmaker, London, cashier, and Les Kinnaird, seller, both employees of the club. They will be arraigned before Justice of the Peace H. F. Drury, at London May 23. Twelve other men, arrested Tuesday, are to be arraigned in a squire's court here at 6 p. m. tonight.

PROSECUTION OF GROH MAY FINISH TODAY

Dover Mayor, Accused Of Taking Liquor Bribe, May Be Own Witness.

NEW PHILADELPHIA, O., May 23.—The prosecution in the liquor conspiracy trial of ex-mayor Peter G. Groh of Dover, O., is expected to rest its case late this afternoon.

The second day of the trial of the ousted Dover official started after considerable delay this morning due to the absence of Sam K. Beetham, deputy prohibition commissioner of Ohio, who is awaiting the state.

John O. Cole, Steubenville, who with Ed Little, Dayton, both resigned "under fire" from the state dry squad recently took the witness stand.

His testimony corroborated the evidence offered by Little yesterday in which the latter former officer charged that Groh accepted a \$50 bribe from him.

A WOMAN ON JURY
A jury of eight men and two women is hearing the case. The court room was again in capacity.

Groh himself sat slumped in a seat at the defense counsel's table and appeared interested and calm. His six feet of height made him appear taller than he really is compared with the other figures in the courtroom. The former mayor is of a slim build. He has curly grey hair. He is of the "little color" type.

Little, whose evidence is admittedly the most damaging, was called to the witness stand after Cole had testified.

GROH TO TESTIFY
Groh is expected to take the witness stand as soon as the defense starts to present its case.

Mrs. Groh, the Dover mayor's wife, is also expected to be a defense witness.

As the examination of Little continued it appeared that question of using girls as decoys would be the issue of the case.

Frequent clashes between Little, first state witness, and defense counsel occurred at the opening of the trial yesterday.

It was brought out that Little, once "ace" of the state enforcement squad, kept Irene English, waitress of the Venice tavern, roadside near here, in a Columbus boarding house, and it was charged that the ex-state agent attempted to attack her there.

Little also took the girl to Cleveland, he admitted on the witness stand.

The man whose "high-pressure" methods in using Lancaster girls as liquor decoys led to his dismissal from R. R. Beetham's enforcement squad, entered the girl's room at the Columbus house and attempted to attack her, tearing her clothes in a subsequent struggle, defense attorneys charged in making the opening statements.

The defense is plainly trying to prove that Little's character is such that he should not be believed on the witness stand.

HEAVY GUARD FOR MORROW

U. S. Ambassador To Mexico Leaves For Home Surrounded By Soldiers.

MEXICO CITY, May 23.—United States Ambassador Dwight W. Morrow is today on his way to North Haven, Maine, to be present at the marriage of his daughter, Miss Anne Spencer Morrow, to Col. Charles A. Lindbergh, the world's most famous aviator.

The train is heavily guarded. Only presidents and ex-presidents in Mexico have been so fully protected by military escorts.

Upon orders from President Porfirio Gil a full regiment of infantry, many armed with quick firing guns, composed the ambassador's bodyguard. An "expedition train," carrying 300 soldiers, moved in advance of the express train.

The regular train guard was increased to 100 men.

The guards were under command of Gen. Miguel Acosta, commander of the successful Vera Cruz campaign the rebels and described as a "hard bitten fighting man."

Ambassador Morrow is traveling by way of Laredo, Texas. He expects to stop off in Washington for a few days to report to the state department and may briefly in New York before continuing to North Haven where the wedding is expected to take place on June 15. He will be coming from Mexico about two months.

This course was adopted after long negotiations with the "farm bloc," the "sugar bloc" and other house groups which have banded together to write new increases in tariffs into the bill.

The negotiations with the "farm bloc" continued up to the last minute, with prospects that they would result in welding the Republican membership of over 3,083,859 a fairly solid fighting force.

SENIOR CLASS PLAY TONIGHT

Elaborate Costumes and Effects Obtained For "The Call of the Banshee."

Rehearsals every night, scene building every day, costume plans born every minute, words, paint and nails flying—and the senior class has prepared for the climactic production of this year's program, "The Call of the Banshee," which will be presented Thursday and Friday nights at the high school.

Planning and construction of costumes was in the hands of Minnie Lyle, Dorothy Denman, Wilbur Adkins, Joe Griffith, Carl Wallace and Harry Grant.

More than eighteen persons are members of the cast which has diligently rehearsed both day and night for the past eleven days.

The cast, which performs tonight is: Martha Mary Wolfe, Helen Crist, Esther Drum, Francis Jones, Alice Roof, Martha Herrstein, Erma Rader, Carl Wallace, Elliott Barnhill, Glenn Heeter, Harry Grant, Joe Griffith, Earl Hussey, George Colville and Harry Butler.

Prize winning tickets for essays on "The Call of the Banshee," were received by Aveline Haacker, Eleanor Westenhaver and Pauline Reed, eighth grade students taught by Miss Yates, Miss Brown and Mr. Rife, respectively, and in the seventh grade by Helen Melson, Mary Curtin, Emanuel Hundley and Donald Brannon with teachers, Miss Hoffman, Miss Mack, Miss Lamb and Miss Buskirk respectively. Thomas Kirwin, taught by Miss Palm was the lucky one from the Corwin sixth grade, and Doris Moffitt from the Franklin sixth grade taught by Miss Eymann, also received a ticket.

This contest consisting of writing essays on certain phases and characteristics of the Banshee, was sponsored by the senior class. A prize of one ticket was offered to each student and his teacher in each of the sections of the sixth, seventh and eighth grades in the Circleville schools.

E. S. NEUDING IS ELECTED TRUSTEE

E. S. Neuding, Circleville, has been elected a member of the general board of trustees of the United Brethren in Christ at the 30th quadrennial conference of the church at Lancaster, Pa.

Other members of the board are: B. F. Daugherty, Lebanon; Rev. L. W. Lutz, York; Rev. M. B. Ballinger, Toledo, Ohio; Rev. R. A. Powell, Bowling Green, Ohio; Rev. J. F. Hatton, Grand Rapids, Mich., and E. M. Ulrich, Dayton, Ohio.

"She Has Irish Name," Gene's Remark on Suit

BRIONI, Italy, May 23.—Gene Tunney, retired world's heavyweight champion, refuses to be the least bit worried over the breach of promise suit filed against him in Bridgeport, Connecticut, by Mrs. Katherine King Fogarty.

The former fighter remained in his wonted seclusion today, willing to leave everything to his attorneys.

"I do not recall ever meeting any woman named Fogarty," Tunney declared when asked about the action. "The only thing I can say about the whole thing is that Mrs. Fogarty sounds like an Irish name."

"I have not heard a word about the action officially, and frankly I am not at all concerned about it at this time. Mrs. Tunney has been quite ill, and I cannot leave her now. Her condition following her operation has not been too satisfactory, and I am very much worried about her."

It is not known whether Tunney's wife, the former Polly Lauder, multi-millionaire Connecticut heiress, has been informed of the litigation launched against her husband in the United States.

Tunney's secretary said that Mrs. Tunney suffered a relapse three days ago, and that the fighter has been constantly at his wife's bedside, not even taking time to read his daily flood of letters and telegrams.

INJUNCTION IS RACE REQUEST

Officials of West Jefferson Dog Speedway Ask Courts Protection.

LONDON, O., May 23.—Interest in the dog race war being waged here against the West Jefferson Kennel club is today centered at Madison-co common pleas court, where a hearing of the petition filed late yesterday by the Kennel club is scheduled to take place late today. The petition seeks an injunction against Sheriff Ed Blaugher and Prosecutor D. M. Richmond, to restrain them from arresting or prosecuting track officials or employees until after the jury trial May 31, when four men arrested Saturday for gambling and permitting the placing of bets at the dog track will be tried.

Evidence that the law enforcers of Madison-co intend to continue their fight against gambling at the dog races was shown Wednesday night when Mose Solomon and James Noble, both of Columbus, were arrested by Deputies Sam Paulin and Jay Clifton. Solomon was charged with book-making and after paying a fine of \$33.50, he was released. Noble paid a fine of \$13.50 on charges of placing a bet with a book-maker.

The four men to be tried May 31 are: H. M. Foster, Columbus, general manager, and O. P. Van Schoick, West Jefferson, secretary of the West Jefferson Kennel club; Ned Speasmaker, London, cashier, and Les Kinnaird, seller, both employees of the club. They will be arraigned before Justice of the Peace H. F. Drury, at London May 23. Twelve other men, arrested Tuesday, are to be arraigned in a squire's court here at 6 p. m. tonight.

PROSECUTION OF GROH MAY FINISH TODAY

Dover Mayor, Accused Of Taking Liquor Bribe, May Be Own Witness.

NEW PHILADELPHIA, O., May 23.—The prosecution in the liquor conspiracy trial of ex-mayor Peter G. Groh of Dover, O., is expected to rest its case late this afternoon.

The second day of the trial of the ousted Dover official started after considerable delay this morning due to the absence of Sam K. Beetham, deputy prohibition commissioner of Ohio, who is assisting the state.

John O. Cole, Steubenville, who with Ed Little, Dayton, both resigned "under fire" from the state dry squad recently took the witness stand.

His testimony corroborated the evidence offered by Little yesterday in which the latter former officer charged that Groh accepted a \$50 bribe from him.

4 WOMEN ON JURY
A jury of eight men and four women is hearing the case.

The court room was taxed to capacity.

Groh himself sat slumped in a seat at the defense counsel's table and appeared interested and calm. His six feet of height made him appear taller than he really is, compared with the other figures in the court room. The former mayor is of a slim build. He has curly grey hair. He is of the "Lincoln" type.

Little, whose evidence is admittedly the most damaging, was called to the witness stand after Cole had testified.

GROH TO TESTIFY
Groh is expected to take the witness stand as soon as the defense starts to present its case.

Mrs. Groh, the Dover man's wife, is also expected to be a defense witness.

As the examination of Little continued it appeared that the question of using girls as decoys would be the issue of the case.

GIRL IN CASE

Frequent clashes between Ed Little, first state witness, and the defense counsel occurred at the opening of the trial yesterday.

It was brought out that Little once "ace" of the state enforcement squad, kept Irene Engler, 20, waitress of the Venice tavern, a roadhouse near here, in a Columbus boarding house, and it was charged that the ex-state agent attempted to attack her there.

Little also took the girl to Cleveland, he admitted on the witness stand.

The man whose "high-pressure" methods in using Lancaster girls as liquor decoys led to his dismissal from R. R. Beetham's enforcement squad, entered the girl's room at the Columbus house and attempted to attack her, tearing her clothes in a subsequent struggle, defense attorney's charged in making the opening statements.

The defense is plainly trying to prove that Little's character is such that he should not be believed on the witness stand.

HEAVY GUARD FOR MORROW

U. S. Ambassador To Mexico Leaves For Home Surrounded By Soldiers.

MEXICO CITY, May 23.—United States Ambassador Dwight W. Morrow is today on his way to North Haven, Maine, to be present at the marriage of his daughter, Miss Anne Spencer Morrow, to Col. Charles A. Lindbergh, the world's most famous aviator.

The train is heavily guarded. Only presidents and ex-presidents in Mexico have been so fully protected by military escorts.

Upon orders from President Porfirio Gil a full regiment of infantry, many armed with quick firing guns, composed the ambassador's bodyguard. An "exploration train," carrying 300 soldiers, moved in advance of the express train.

The regular train guard was increased to 100 men.

The guards were under command of Gen. Miguel Acosta, commander of the successful Vera Cruz campaign the rebels and described as a "hard bitten fighting man."

Ambassador Morrow is traveling by way of Laredo, Texas. He expects to stop off in Washington for a few days to report to the state department and may tarry briefly in New York before continuing to North Haven where the wedding is expected to take place on June 15. He will be absent from Mexico about two months.

There are three things difficult: To keep a secret, to suffer an injury, to use leisure.—Voltaire.

To Identify Genuine Aspirin

THE increasing use of Bayer Aspirin every year is proof that it has no ill effects. It is the accepted antidote for pain. It always helps; it never harms. Quick relief when you've a headache, or cold; or are suffering from neuralgia or neuritis. Rheumatic pains yield, too, if you'll only give these tablets a chance. But you want genuine Aspirin, so look for the Bayer Cross on every tablet. The box always bears the name Bayer and the word *genuine* printed in red.

CLIFTONA HAS GREAT PICTURE

All Ingredients of Successful All-Talking Films Are In "Broadway Melody."

"The Broadway Melody" unveiled its luring cinematic strains at the Cliftona Theater last night, redeeming and justifying all the crimes committed in the name of sound picture advancement thus far. This Metro-Goldwyn-Mayer film convinces the skeptic that there has been enormous progress in the perfection of the all-talking picture and the film demonstrates the superiority of the Cliftona talking machine.

Not only does "The Broadway Melody" startle one with its technical perfection, but it has also all the requisites of knockout entertainment. Each sequence strikes home. The speedy plot, bright dialogue and expert acting of the players combine to make this picture as rich in entertainment value as beefsteak is in caloric value.

Edmund Goulding is responsible for this thoroughly human and realistic story of the "Mahoney Sisters," a snappy vaudeville act, whose questionable talent has thus

far been confined to the tall grass area. The youngsters labor under the illusion that they are as famous as Lindbergh, and when Broadway dubs them "Baloney Sisters," the first blow at their self-esteem strikes home. Both are in love with the song-and-dance man. One is engaged to him, the other marries him.

Norman Houston and James Gleason put the talk in this talkie with a vengeance. It is slangy repartee of the side-splitting variety.

Bessie Love, the leading lady, is almost too good to be true. She sings, dances, talks, laughs and weeps with equal facility. Last night, the audience broke into spontaneous applause at the conclusion of an intensely dramatic scene in which Bessie became hysterical after nobly sacrificing her lover to her sister.

Anita Page is the answer to the question, What keeps the tired business man tired? She is a beauty. Her face would make a dozen fortunes, and her figure would help her to keep them. She has talent aplenty and displays it in "The Broadway Melody."

Charles King, a recruit from the musical comedy stage, makes an ingratiating and thoroughly capable leading man.

Having said all this, one hasn't even half begun to relate the

merits of "The Broadway Melody." There are spectacular—although tasteful—scenes. There is a gloriously colorful sequence, the wedding of the painted dolls, and many other novelties designed to tickle the film patrons' picture palate.

The eighth grade commencement exercises held in the Methodist Church last Friday morning proved very interesting when the bright boys and girls were given certificates of promotion. A large number of parents and friends attended the exercises. Rev. M. R. Crabbe delivered a most interesting class address and told them the importance of obtaining the best possible education and being diligent in their studies.

Mrs. Ella Gooley, an aged resident and highly respected lady, died Sunday. Funeral services were held at her late home Tuesday afternoon. Mrs. Gooley was of a sunny disposition. In conversation, she was very polite and sincere, possessed a warm sympathetic heart, devoid of intention to wound the feelings of any one.

IT PAYS TO ADVERTISE

LYNDON, OHIO, FARMER DRIVES IN TO PRAISE HOYT'S COMPOUND

SUFFERED FROM RHEUMATISM FOR YEARS; HOYT'S ENDED HIS SUFFERING AFTER EVERYTHING ELSE FAILED.

Mr. Jesse Beath, R. F. D. No. 3, Lyndon, O., is still another widely known resident of this vicinity who is praising the great Hoyt's Compound, which is the great natural mixture of nature's roots and herbs now being introduced daily at Wilder's Pharmacy, Circleville.

MR. JESSE BEATH.

"I have been a farmer at Lyndon, Ohio, R. F. D. No. 3 for several years," said Mr. Beath. I am 40 years of age and the last few years have been filled with PAIN AND SUFFERING from rheumatism which settled in my hands and arms and the back of my neck and finally grew so painful that I thought I would be unable to stand it. My bowels were very irregular and I never felt like working because of my condition. I tried lots of different medicines without noticeable relief. I read where Hoyt's had helped several people in Chillicothe with whom I was very intimately acquainted and knew that it must be WHAT I NEEDED. I went to Mutchler's Pharmacy and purchased two bottles of Hoyt's and after taking this medicine can truthfully say that I haven't an ACHES OR PAIN in my entire body. I am able to sleep good every night, bowels move regularly and I now enjoy working every day, because I feel good and don't suffer any more with that dreadful rheumatism. Too much praise cannot be given this wonderful medicine. Anyone who suffers should at least give it a trial."

Hoyt's Compound is sold at Wilder's Drug Store, Circleville, Ohio. Also by all leading druggists everywhere.—Adv.

TEST SOHIO ON YOUR FAVORITE HILL

Let your own motor prove to you that THERE IS A DIFFERENCE IN GASOLINE

TRY THIS NEW MOTOR FUEL

OUR own laboratory tests prove to us that there IS a difference in gasoline. Test Sohio yourself, in your own car, in your own way, and find out for yourself what this difference means to your motor.

Stop at a Red-White-and-Blue Standard pump today. Call for Sohio gasoline. Then try out your car on your favorite hill.

Put Sohio to every test you

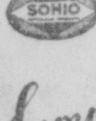

- 1 Put it in a car that knocks
- 2 Use it in a high-compression motor
- 3 Watch for increased mileage
- 4 Note minimum oil dilution
- 5 Check its starting quality

can think of. Be as critical as you like. Let Sohio itself prove to you that it is a truly superior gasoline.

Listed opposite are other tests by which you can measure Sohio's unique quality.

CHRONIC TIREDNESS MAKES YOU GROUCHY

You Fall Off in Efficiency and Become Unhappy All Because of Insufficient Rest, Says Dr. Copeland—Revise Your Way of Living.

By ROYAL S. COPELAND, M. D. United States Senator from New York. Former Commissioner of Health, New York City.

EVERY day I meet friends of mine who give evidence of fatigue. They are uncommonly touchy, they are fidgety and nervous. They are fussy and fault-finding, they are unable to concentrate on their daily duties. There is no more unnecessary human exertion than the chronic state of tiredness which is the experience of so many individuals.

Life is intended to proceed without friction. All the things we do should be done easily. Our everyday tasks should not get on our nerves. Their duties should be performed patiently and good-naturedly.

A mother may have seemed cross to her children, when, as a matter of fact, she has a heart of gold and the most loving nature in the world. Her true feelings are hidden and smothered by her tiredness and fagged-out condition.

Many a man goes to his office to drive his stenographer and clerks to distraction because of his upishness and irritability. Nothing pleases him. He growls at the waiter and finds fault with the street car system.

Unfortunately, life is so constituted that everybody has daily experiences that seem to demand some form of resentment. If you happen to get out of bed on the wrong side in the morning these disturbing happenings appear to have been multiplied by the million. This is because you are tired, you are worn out, your nervous system has not recuperated over night.

When you feel this way don't send for a doctor or buy a bottle of nerve pills. What you need is to revise your way of living so that you will have more rest and more sleep.

Just exactly the amount of sleep you must have depends upon your own nature, but knowing the number of hours you require you should religiously give yourself this much time in bed.

If for any reason you do not sleep well do not tear around in the bed as if you were a disturbed animal. Keep quiet and give nature a chance to send sleep to your eyelids.

Sometimes as a result of indigestion or intestinal fermentation poisons are generated in the body. These seem to have a stimulating effect and result in the prevention of sleep. Every person who suffers from sleeplessness should be governed by this hint and perhaps by the correction of the constipation or of the intestinal fermentation, whatever it may be, you may find suddenly that the cause for sleeplessness has disappeared.

Fatigue is fatal to effective action. What you need is to revise your way of living so that you will have more rest and more sleep.

If for any reason you do not sleep well do not tear around in the bed as if you were a disturbed animal. Keep quiet and give nature a chance to send sleep to your eyelids.

Sometimes as a result of indigestion or intestinal fermentation poisons are generated in the body. These seem to have a stimulating effect and result in the prevention of sleep. Every person who suffers from sleeplessness should be governed by this hint and perhaps by the correction of the constipation or of the intestinal fermentation, whatever it may be, you may find suddenly that the cause for sleeplessness has disappeared.

Fatigue is fatal to effective action. What you need is to revise your way of living so that you will have more rest and more sleep.

Just exactly the amount of sleep you must have depends upon your own nature, but knowing the number of hours you require you should religiously give yourself this much time in bed.

SPOTLIGHT ON ST. LOUIS FOR THREE GAMES

Cards and Cubs Will Clash For Leadership of National League.

By LES CONKLIN
NEW YORK, May 23.—The baseball spotlight today centers in St. Louis where the Cardinals and the Cubs, the only two teams in the National league that have played championship ball all spring, begin a crucial series of three games. The Cubs, half a game in front of the champions this morning, must take two of the three contests to hold on to the league lead.

Mound City rooters who are all lathered up over the series also will be keeping a weather eye on their other favorites, the Browns, who jumped to second place in the American league race yesterday by winning their third consecutive game from the White Sox while the Yankees were being two-timed by Washington. Boasting eight victories in their last eleven starts, the Browns refuse to be shaken off by the fast-flying Athletics, who have won six straight.

Rip Collins pitched the Browns to a 7 to 3 triumph over the White Sox yesterday. St. Louis shelling Red Faber off the mound.

A'S WIN TWENTY
The Athletics, first team in the majors to win twenty games, garnered sixteen hits and scored twelve runs in one inning in murdering the Red Sox, 16 to 2. Lefty Grove, the "iron man," took the afternoon off after the A's sewed up the game.

Failure to hit Jones and Braxton cost the Yankees two defeats by Washington, 10 to 2 and 3 to 2, and a drop to third place. Johnson, Wells and Rhodes could not stop the Nats in the opener and Hoyt was the victim in the night-cap. Goslin and Judge hit homers in the opener.

The batting of Eddie Morgan, who hit two triples and a single featured Cleveland's 7 to 4 win over Detroit.

REDS IN 7th PLACE
The Phillies tied Boston for fourth place in the National league by drubbing the Braves twice, 6 to 3 and 13 to 4.

With Remy Kremer pitching his first full game of the season, the Pirates crushed Cincinnati, 11 to 2. The punch-drunk Reds, who have lost six straight, dropped into seventh place below the Giants, who divided a double bill with Brooklyn.

Clise Dudley, southern pitching recruit, completed his first full major league game in beating New York in the opener, 3 to 2. Thanks to an error by Eddie Moore, Brooklyn's new second baseman, the McGraw men won the second game in the tenth, 7 to 3, and saved themselves from a flop into the cellar.

COMMANDER EIGHT CONVERTIBLE CABRIOLET, \$1645. Six wire wheels and trunk rack standard equipment. COMMANDER EIGHT COUPE, \$1495. Prices at factory. Bumpers and spare tires extra.

TODAY'S Commander Straight Eight has swept to a popularity eclipsing even that of its predecessor, the gallant Commander which sped 25,000 miles in 22,968 minutes. Studebaker, holder of every official speed and endurance record for stock cars, now sells more 8-cylinder cars than any other manufacturer.

The Commander Eight blends style and speed with comfort unknown until Studebaker introduced ball bearing spring suspension. And its One-Profit price is quite as remarkable as its champion performance.

Advanced American Trade

The first treaty between the United States and Japan was signed on March 31, 1854, whereby the Oriental nation inaugurated her famous "open door" policy in permitting American shipping free access to a hitherto inaccessible domain. With American merchant shipping at her peak at the moment the Stars and Stripes soon became a common sight in the harbors of the mikado's coastal cities—and an important new market developed for the American trader.

Earliest Parliament

In 1275 the statute of Westminster first used the word "parliament," describing the great council in England.

JUNIORS WIN CLASS TITLE

Third Year Team Defeats Freshman For Baseball Championship.

Wednesday evening after school the Junior and Freshman baseball teams battled it out on the commons in the south-end for the championship of the high school in a game featured by many errors, a total of 17 miscues being made.

The junior classmen were victorious with a score of 9 to 5. Although the game at times was very close the Juniors showed their fighting spirit and with a last desperate rally broke a tied score and won the game with a good margin.

Hollow Wall Deadens Sound

Soundproofing involves careful study and practice, and scientists are just beginning to discover the proper way to protect interiors against noise. Among other interesting facts they have learned is that, under ordinary conditions, various materials that are supposed to deaden sound actually transmit it so great care has to be exercised in constructing walls or other areas to make them soundproof. For example, hollow walls, in many instances, are better insulators against sound than those with an inner space filled with sawdust.—Popular Mechanics Magazine.

Pictorial Golf Instruction

By H. B. MARTIN

LONG FLAT SWING PREVENTS DANGER OF TOPPING

THE golfer who attempts a complete round swing with his iron will find himself topping or shuffling ten or fifteen per cent of his shots, maybe more. One must be accurate indeed to hit the ball at the exact bottom of the arc.

There is one sure way of hitting an iron shot. Let the club describe a flat arc which makes sure of the clubhead picking the ball up as it sweeps through. Longer and more accurate shots will result from this sweep of the club than if the round full swing is used.

CARDINAL ADOPTS "CHEATERS"

LIGHT ON
ST. LOUIS FOR
THREE GAMES

Cards and Cubs Will Clash
For Leadership of National League.

By LES CONKLIN
NEW YORK, May 23 — The baseball spotlight today centers in St. Louis where the Cardinals and the Cubs, the only two teams in the National league that have played championship ball all spring, begin a crucial series of three games. The Cubs, half a game in front of the champions this morning, must take two of the three contests to hold on to the league lead.

Mound City rooters who are all lathered up over the series also will be keeping a weather eye on their other favorites, the Browns, who jumped to second place in the American league race yesterday by winning their third consecutive game from the White Sox while the Yankees were being two-timed by Washington. Boasting eight victories in their last eleven starts, the Browns refuse to be shaken off by the fast-flying Athletics, who have won six straight.

Rip Collins pitched the Browns to a 7 to 3 triumph over the White Sox yesterday. St. Louis shelling Red Faber off the mound. A'S WIN TWENTY

The Athletics, first team in the majors to win twenty games, garnered sixteen hits and scored twelve runs in one inning in murdering the Red Sox, 16 to 2. Lefty Grove, the "iron man," took the afternoon off after the A's sewed up the game.

Failure to hit Jones and Braxton cost the Yankees two defeats by Washington, 10 to 2 and 3 to 2, and a drop to third place. Johnson, Wells and Rhodes could not stop the Nats in the opener and Hoyt was the victim in the night-cap. Goslin and Judge hit homers in the opener.

The batting of Eddie Morgan, who hit two triples and a single featured Cleveland's 7 to 4 win over Detroit.

REDS IN 7th PLACE
The Phillies tied Boston for fourth place in the National league by drubbing the Braves twice, 6 to 3 and 13 to 4.

With Remy Kremer pitching his first full game of the season, the Pirates crushed Cincinnati, 11 to 2. The punch-drunk Reds, who have lost six straight, dropped in to seventh place below the Giants, who divided a double bill with Brooklyn.

Cine Dudley, southern pitching recruit, completed his first full major league game in beating New York in the opener, 3 to 2. Thanks to an error by Eddie Moore, Brooklyn's new second baseman, the McGraw men won the second game in the tenth, 7 to 3, and saved themselves from a flop into the cellar.

COMMANDER EIGHT CONVERTIBLE CABRIOLET, \$1495. See over wheels and trunk rack standard equipment. COMMANDER EIGHT COUPE, \$1705. Prices at factory. Bumpers and spare tire extra.

TODAY'S Commander Straight Eight has swept to a popularity eclipsing even that of its predecessor, the gallant Commander which sped 25,000 miles in 22,068 minutes. Studebaker, holder of every official speed and endurance record for stock cars, now sells more 8-cylinder cars than any other manufacturer.

The Commander Eight blends style and speed with comfort unknown until Studebaker introduced ball bearing spring suspension. And its One-Price price is quite as remarkable as its champion performance.

Pictorial Golf Instruction

By H. B. MARTIN

LONG FLAT SWING PREVENTS

DANGER OF TOPPING

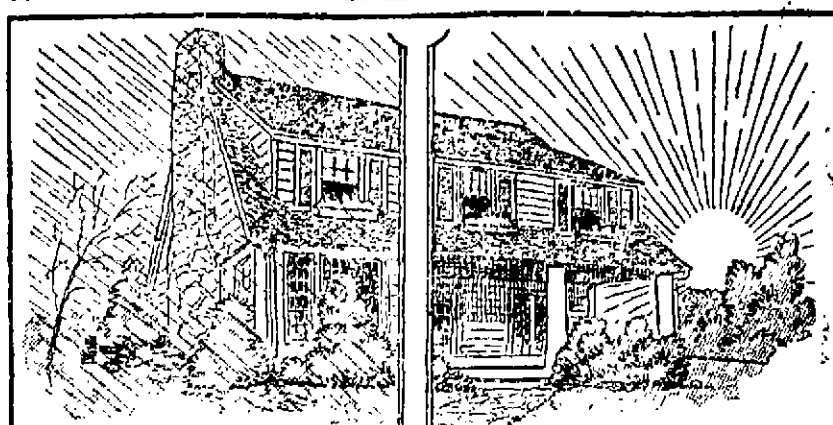

THE golfer who attempts a complete round swing with his iron will find himself topping or shading ten or fifteen per cent of his shots, maybe more. One must be accurate indeed to hit the ball at the exact bottom of the arc.

There is one sure way of hitting an iron shot. Let the club describe a flat arc which makes sure of the clubhead picking the ball up as it sweeps through. Longer and more accurate shots will result from this sweep of the club than if the round full swing is used.

Nut-Sweet Flavor

It takes three years to produce Lucky Strike's flavor. This unrivaled cigarette is a blend of finest tobaccos from each of three consecutive growths—the cream of the crop. Then comes the secret toasting process which in the opinion of 20,679* physicians makes Lucky Strike less irritating than other cigarettes. This exclusive heat treatment also purifies the tobacco and adds a touch of nut-sweet flavor —appetizing, delicious, different—the earmark of one of the world's most popular products.

CHRONIC TIREDNESS MAKES YOU GROUCHY

You Fall Off in Efficiency and Become Unhappy All Because of Insufficient Rest, Says Dr. Copeland—Revise Your Way of Living.

By ROYAL S. COPELAND, M. D. United States Senator from New York. Former Commissioner of Health, New York City.

EVERY day I meet friends of mine who give evidence of fatigue. They are uncommonly touchy, they are fidgety and nervous, they are fussy and fault-finding, they are unable to concentrate on their daily duties. There is no more unnecessary human experience than the chronic state of tiredness which is the experience of so many individuals.

Life is intended to proceed without friction. All the things we do should be done easily. Our everyday tasks should not get on our nerves. Their duties should be performed patiently and good-naturedly.

A mother may have seemed cross to her children, when, as a matter of fact, she has a heart of gold and the most loving nature in the world. Her true feelings are hidden and smothered by her tiredness and fagged-out condition.

Many a man goes to his office to drive his stenographer and clerks to distraction because of his uprightness and irritability. Nothing pleases him. He growls at the waiter and finds fault with the street car system.

Unfortunately, life is so constituted that everybody has daily experiences that seem to demand some form of resentment. If you happen to get out of bed on the wrong side in the morning these disturbing happenings appear to have been multiplied by the million. This is because you are tired, you are worn out, your nervous system has not recuperated over night.

When you feel this way don't send for a doctor or buy a bottle of nerve tonic. What you need is to revise your way of living so that you will have more rest and more sleep.

Just exactly the amount of sleep you must have depends upon your own nature. But knowing the number of hours you require you should religiously give yourself this much time in bed.

If for any reason you do not sleep well do not tear around in the bed as if you were a disturbed alligator. Keep quiet and give nature a chance to send sleep to your eyelids.

Sometimes as a result of indigestion or intestinal fermentation poisons are generated in the body. These seem to have a stimulating effect and result in the prevention of sleep. Every person who suffers from sleeplessness should be governed by this hint and perhaps by the correction of the constipation or of the intestinal fermentation, or whatever it may be, you may find suddenly that the cause for sleeplessness has disappeared.

RALPH SMITH

IN ART CIRCLES

The cover design on the magazine "Soundings" which is the subject of many conversations in Columbus this week, was designed by Ralph Smith of Circleville and is another tribute to the Columbus Art school. This special magazine with its historical information was made more effective by Mr. Smith's colorful design, comprising colonial and twentieth century days, in costume, modes of travel and architecture.

The original for this cover and the first color proof, of reproduction are now being shown as a part of the Keith Albee Palace exhibit in Columbus. A portrait of Gene Pontius, daughter of John Pontius, may also be studied there as a most representative example of Mr. Smith's unquestionable ability with the brush.

He is the son of Mrs. Margaret Smith of E. Main st. Circleville, and a graduate of Circleville high school in 1925. He has been paying his way through art school by producing art work for the American Insurance Union and during the past month designed many unusual church lighting fixtures for a local manufacturer. Upon graduating he will have charge of all art work for the Kline-Roberts Advertising agency in Columbus.

—TALK UP CIRCLEVILLE—

New President of C. H. Bankers Assn.

A. E. WHITNEY

A. E. Whitney, President of the Citizens Savings Bank of Upper Sandusky, was chosen President of the Ohio Bankers Association at the annual convention held in Columbus. Mr. Whitney, widely known in financial circles, has been active for years in the work of the Association which is maintained by the banks of the state for the purpose of placing banking on an even higher plane than it is at present and of aiding them in giving the best possible service to the communities in which they operate.

GEORGE SEOW AT LOGAN ELM GRANGE

The members of the Scioto-twp Grange furnished a first class entertainment Wednesday night at the regular meeting of the Logan Elm Grange there. The players presented a show "The Coonville Aristocrat Club" that showed real talent in production, and included good black face make-up, negro dialogue and mannerisms. The evening's entertainment was witnessed by nearly 130 persons, members of the Logan Elm Grange and some who had accompanied the players from Scioto-twp district.

The regular business meeting of the Logan Elm Grange was conducted by the officers of that organization, preceding the program. Following the program, the members of the reception committee served a lunch, which was greatly enjoyed by all present.

Mrs. Roy Stout and Mrs. Harry McCrum were visitors in Lancaster Thursday.

SAYS DANDELION IS DAD'S FLOWER

ST. CLAIRSVILLE, O., May 23. Dandelions will be in demand here next Sunday when Fathers' Day is observed at the United Presbyterian church.

Rev. J. Frank Campbell, pastor, in announcing the service, said the dandelion is the Fathers' Day flower and asked that each father attending wear one of the blooms.

WANDERER IS HELD

FREMONT, O., May 23.—Peter George, farm laborer, was confined in the county jail here today on the suspicion that he was demented. He was picked up near Lindsey, where, residents said, he had been wandering about for days in a dazed condition.

Come to Broadway--Where Love Smiles Through Its Heart-Breaks!

IS she happiest — that girl you see across the foot-lights? The rouged lips smile temptingly at you. The gay voice croons the Broadway Melody, song of songs that visions the lights, the gayety, the joys of the lavish White Way.

BUT when she returns to her dressing room, the smile is gone and there are tears for a love that is lost! Her little sister had won out in the game of love. What a sacrifice to give up the man she adored! But what was her love compared to theirs!

A Thousand Thrills to SEE and HEAR!
